

Linking Business Training

Warrington & Co. work in partnership with local Training Providers to source the training or support you need to sustain and grow.

Create a more skilled and flexible workforce - for FREE

The Employer Skills Fund aims to engage employed and self-employed adults aged 19+ in education and training up to Level 2 to enhance their skills.

Training and development can be customised to meet the need of individual companies and could include for example:

Bookkeeping and Accounts

Customer Service

Digital Marketing

Engineering

IT/ECDL

Management and Team Leading

Eligibility

Halton-based businesses with less than 250 employees

Warrington-based businesses with less than 250 employees can access similar support via Skills Support for the Workforce

Further eligibility requirements apply
